Dear Ms. Jackson,

A few years ago I read a newspaper article that spoke of two United States Senators who lauded the work of people in social ministries and asked for their continued support in working to improve the lot of the poor. One of the senators said that it is our obligation to remind those in government of the efforts for those less fortunate "day after day, year after year" to protect **"the least, the last and the lost."**

You, our dear supporter, do just that. You are our partners in our social ministry to those among us who are not as fortunate as we. Here at Oasis our programs are filled with women and children, eager to learn, hungry for food and in need of compassion and comfort. The constant stream of those in need touch us each and every day. It is an awesome responsibility to see the face of the Lord in everyone we meet and to treat them with the human dignity they deserve.

**We are so very grateful for your donation of 130 coats.** It allows us daily to help **"the least, the last and the lost."** May God bless you for your generosity.

With warm regards,

  
Sister Gloria Perez
